

**Application for Enrollment
in a Biology Department Investigations Course**

Biol _____
course # _____ course title _____

Name _____ Date _____

Local Address _____
street (or dorm #) _____ city _____ state _____ zip _____

Telephone # _____ Email _____

Academic advisor name _____ Cumulative GPA: _____

Year you plan to graduate _____ Your major _____

Your minor _____

List the biology course(s) that you have completed or that are in progress (designate as "IP"). Write the grade received next to each completed course.

111 _____	207 _____	324 _____	336 _____	354 _____
114 _____	242 _____	324 _____	338 _____	356 _____
115 _____	243 _____	331 _____	341 _____	357 _____
116 _____	256 _____	332 _____	344 _____	other (specify):_
141 _____	311 _____	333 _____	345 _____	
205 _____	313 _____	334 _____	346 _____	
206 _____	321 _____	335 _____	352 _____	

List the chemistry course(s) that you have completed or that are in progress (designate as "IP"). Write the grade received next to each completed course.

103 _____	114 _____	262 _____	324 _____
104 _____	201 _____	271 _____	383 _____
113 _____	261 _____	323 _____	other (specify):_

What area of biology interests you most (e.g., cell/molecular, organismal, ecological, etc.)? Please describe.

Why do you want to take the particular investigations course you identified above? Or how would it benefit you with regard to current or future educational or vocational plans?
