

# THE MICHIGAN BRANCH

INTERNATIONAL DYSLEXIA ASSOCIATION

PRESENTS ITS

## ANNUAL FALL CONFERENCE

### **A New Conceptualization of Dyslexia and its Intervention**

*Maryanne Wolf, Ph.D.*

*Tufts University*

*Our current understanding of the reading brain gives us a new view of Dyslexia, one with an even stronger emphasis on fluency and the speed of connections necessary among reading-related structures in the brain.*

*These are the bases for new ways of intervention and teaching.*

Dr. Troy Mariage  
*Michigan State University*

Dr. Johanna Kuyvenhoven  
*Calvin College*

**October 9, 2010**

9:00 am to 4:00 pm

*Co-sponsored by*

**CALVIN**

**Graduate Teacher Education Program  
Speech Pathology and Audiology Program**

Location: Calvin College, Gezon Theater  
3201 Burton Street SE, Grand Rapids, MI 49546
