upcoming events!*

What is CSNA?

Calvin Student Nurses' Association hopes to provide a program of current interests and concerns to aid in developing the nursing student as a whole person. Being a member of this organization is a great way to get practical and valuable nursing information, network with fellow student nurses, strengthen your leadership in nursing, and much more. Attending our meetings and workshops is a great way to share ideas about the nursing department, network with other nurses and the community, learn about conferences and events you could attend, help design nursing wear, and share any other ideas you may have. All are invited to join! If you have any questions, contact Jennie Caley at jbc5. We hope to see you soon!
