How did you hear about the ACE summer program?

- Past participation
- Teacher recommendation  
Name of teacher \_\_\_\_\_
- GT Resource Network Newsletter
- Midwest Academic Talent Search
- Other \_\_\_\_\_

GT Resource Network is a volunteer, membership-supported organization that provides important activities for gifted students and families in West Michigan. A family membership is only \$20 per year and includes networking opportunities, regular newsletters, and discounted admission to programs and events. For more information, go to [www.gtresourcenetwork.org](http://www.gtresourcenetwork.org) or call 526-5878.

For your convenience, you may include a separate check for the annual GT Resource Network family membership with your ACE application. Make out the check or money order for \$20 to "GTRN."

- I have enclosed a check for GTRN membership.
