A. Major issues addressed by the committee during the 2015–16 year
   The committee met once this past school year to review and provide input to the Provost’s Council at their request. We all fully supported both proposals:

To support finding a way to provide internship/academic credit for students interning with the Bridge Street House of Prayer (BSHOP), and open up ways for similar gap year combined serving/learning opportunities for incoming students for fall 2016, several current Calvin students, and future Calvin Students.
