ACADEMIC ADVISING COMMITTEE

Mandate
The Academic Advising Committee will serve the college in all matters concerning academic advising. The committee may initiate and recommend policy regarding advising to the administration and the faculty. Any change to the practices or policy of academic advising (e.g. requirements added) must be sent to Faculty Senate for approval.

The committee will not normally involve itself in the day-to-day administration of the academic advising system, but will support the Coordinator of Academic Advising in the advising program.

Since Academic Advising is an important part of a successful academic career for each student, it is important to be continuously intentional in our initiatives for more effective advising practices for all students. Therefore, the functions that the committee will perform, but will not be limited to, are to:

1. Serve as an advisory committee to administrators responsible for running the academic advising program.
2. Review the current procedures and guidelines related to academic advising.
3. Review new trends and ideas related to academic advising.
4. Respond to advising concerns from the faculty, deans, and registrar’s office.
5. Accept any additional responsibilities that may be assigned to it by the Faculty Senate.

Reporting Relationship
The Academic Advising Committee shall report to the Faculty Senate.
