

CALVIN COLLEGE  
ATHLETIC COMMITTEE MEETING MINUTES  
April 12, 2011

The meeting was called to order at 1:30 PM in the Steen Conference Room of the HPERDS department

Present: M. Flikkema, D. Wunder, E. Washington, J. Ross, N. Meyer, and J. Timmer.

Absent: None

1. The status of the NCAA self-study report was discussed. Draft report will be completed by end of May for review prior to submittal in June.
2. The process and practices for student-athlete and professor interaction was discussed. No decisions were made regarding changes to the current practice. It was acknowledged that ambiguity among faculty (and student-athletes) could be alleviated by an official campus-wide policy for class and co-curricular event scheduling conflicts. Committee agreed to develop a few videos for presentation to student-athletes at the fall meeting—videos would portray contrasting (i.e., best vs. sub-optimal) practices and interactions between student-athletes and faculty when discussing class and competition scheduling conflicts.
3. All other agenda items to be carried over to next committee meeting (18May11).

Respectfully submitted,  
David Wunder, FAR
