ENROLLMENT MANAGEMENT COMMITTEE

**Mandate**
The Enrollment Management Committee shall provide input into and advice regarding the various services and functions which contribute to the enrollment goals of Calvin College. This includes both the enrollment of new, transfer, and graduate students in order to support the education goals of the college.

The specific duties of the Committee shall include:

1. Foster institution-wide involvement in and support for recruitment efforts.
2. Monitor, evaluate and support admissions/recruitment and scholarship/financial aid strategies and activities.
3. Coordinate and implement a Strategic Enrollment Plan.

**Composition**
The Committee will be chaired by the Vice President for Enrollment Management and will be composed of the following members or their designees*:

- Dean of students
- Director of pre-college programs
- Registrar/director of academic services and/or associate director of academic services
- One or more faculty members from each academic division
- Director of communication and brand steward
- Director of alumni, parent, and community relations
- Director of the physical plant
- Student(s)

**Reporting Relationship**
The Enrollment Management Committee reports to the Faculty Senate.

*Other individuals deemed by the committee membership to be strategic to the success of the programs may be added at any given time.

Revised 2016; presented to Faculty Senate for information November 2016
