STUDENT SCHOLARSHIPS AND FINANCIAL AID COMMITTEE

Mandate
The Committee on Student Scholarships and Financial Aid shall function as an agent of the college in matters concerning student scholarships, financial aid, and related programs.

The committee shall, among other things,

1. provide input on policy regarding the dispersal of student scholarships and financial aid;
2. adjudicate student scholarship appeals; and
3. communicate concerns and make recommendations regarding student scholarships and financial aid to the Faculty Senate or to appropriate committees.

Reporting Relationship
The Committee on Student Scholarships and Financial Aid reports to the Faculty Senate and, in support of greater community, regularly informs the Enrollment Management Committee of its activities.

Composition
Eight members:

- Three faculty members representing each division
- Five members of the Administration, as follows, with one of these five serving as secretary:
  - One representative (designated by the provost) from the academic administration division
  - One leadership-level representative from the office of scholarships and financial aid
  - One designated representative from the office of admissions
  - One designated representative from the enrollment management division
  - One designated representative from the student life division

No faculty member from the Kinesiology Department and/or Calvin athletic coach may serve on the Committee on Student Scholarships and Financial Aid.
