Who & Where is My Neighbor?
Spatial and social relations among Kent County religious congregations

CSR staff will showcase emerging tools and methods for visual data analysis, using data from the Kent County Congregations Study

April 8, 2010 @ 3:30pm
Meeter Center Lecture Hall
Calvin College
Refreshments will be served

Graph by Nathan Mosur

*Arrow direction indicates which congregation mentioned the other
**Line size indicates proximity. A thicker line indicates congregations are closer geographically
