

SPECIAL CONSIDERATION BASED ON SPECIAL CIRCUMSTANCES

2008-2009

Student Name _____ ID # _____

The standard evaluation of eligibility for need-based financial aid is based on the independent student's income from the prior year. In some cases adjustments can be made in the evaluation for changes in circumstances.

If you would like to request special consideration based on a reduction in student's income from the prior year, please complete the information below.

Estimate 2008-2009 income. The adjustments make a difference only if the student earned more than \$1,000 in 2007 and expects 2008-2009 income to be reduced by \$300 or more.
