One amazing card
You and your dependents can rely on the Cross® and Shield® when you’re away from home in the United States. Just show your ID card everywhere you go.

Physicians and hospitals that contract with Blue plans nationwide participate in BlueCard, our care program when you’re away from home. You can locate BlueCard providers by using the BlueCard Doctor and Hospital Finder at bcbs.com or by calling 1-800-810-2583.

Pharmacy coverage
You can fill prescriptions at any Blues participating pharmacy when you travel. Your BCN ID card is accepted at thousands of pharmacies nationwide, including most major chains.

Emergency care
You’re always covered for emergency care — in Michigan, across the country and around the world. Just show your BCN ID card. When travelling outside the United States, you may be required to pay for services and then seek reimbursement. To speed reimbursement, bring back an itemized bill and any medical records you can obtain.

Health care coverage that travels — that’s peace of mind
Whether you’re vacationing at a nearby resort or wintering down south, Blue Care Network coverage travels with you.
**Coverage that travels**

As a Blue Care Network of Michigan member, you can receive benefits when you’re away from home. So can your dependents.

Always carry your ID card for access to service. You should not have to complete claim forms or pay up-front health care expenses, except for your usual out-of-pocket expenses (copayments, coinsurance and deductibles).

**Arrange for care before you go**

Check with your primary care physician to arrange for coordinated care and required authorizations. For behavioral health services (substance abuse care and mental health services), call the mental health help number on the back of your ID card 24 hours a day, seven days a week. A care manager will evaluate your needs and arrange for services.

Also, call Customer Service for more details about your health care benefits. The options for members vary depending on coverage type.

Away from home

Your BCN coverage includes BlueCard, a program of the Blue Cross and Blue Shield Association. With this program, you have nationwide access to Blue plan physicians and hospitals. The chart below tells you how to access and arrange care when you’re away from home.
