
Student Life

Our Mission

*As servants of God and partners in education,
We challenge and support students as they
Seek meaning in their college experiences.*

*With delight and anticipation, we present them to the world
As a people who are learning to love the things that God loves,
So that the world is blessed by their leadership.*

College is a most stimulating, challenging, and exciting experience. Students explore new ideas, develop new skills, wrestle with difficult topics, and establish life-long friendships. The Student Life Division at Calvin College helps students engage these experiences by offering a wide array of programs and services that are consistent with, and complement, the other educational opportunities that abound at Calvin. Simply put, the Student Life Division finds joy in facilitating a rigorous, yet nurturing learning environment in which students can flourish. As our mission states above, we desire students to become different persons between the time they enter Calvin and the time they leave, with the heartfelt hope that both our efforts and students' development honor God and further His kingdom.

The Student Life Division, eager to help students develop their gifts and interests, is made up of seven departments: Broene Counseling Center, Campus Safety, Career Services, Chaplain's Office and Campus Worship, Health Services, Residence Life, and Student Development. With over 60 creative, dedicated staff members, along with commensurate facilities, the SLD is well equipped to serve Calvin students in their holistic development. For more information on the Student Life Division at Calvin College, please visit our website at www.calvin.edu/admin/student_life/. Here are the ways each of these areas are poised to work with you:

Broene Counseling Center

The staff offers evaluation, counseling, and support within a Christian framework to any student dealing with emotional struggles, psychological problems, or personal concerns. Individual and group counseling is available, as are workshops and other special programs. Broene Counseling Center staff can also help direct students to a variety of books, pamphlets, and other resources on pertinent information such as depression, anxiety, relationships, sexuality, alcohol, stress, eating disorders, and much more.

Counselors are available by appointment. There are also walk-in times Monday through Friday from 3:30 p.m. to 4:30 p.m. when students can meet with a counselor without a pre-arranged appointment. Center hours are 8 a.m. to 5 p.m. Monday through Friday. Counseling services are available year around for any Calvin student. Appointments can be made directly by stopping in at the Center, which is located on the third floor of the Spoelhof College Center, or by calling 526-6123. Students can also visit the Center's website at www.calvin.edu/admin/broene/ for more information. The Broene Counseling Center offers comprehensive and high-caliber services in a confidential manner.

Campus Safety

The mission of the Campus Safety Office is to serve the Calvin community by promoting mutual responsibility for campus safety. It strives to ensure a safe and well-or-

dered campus environment, relevant educational initiatives, and respectful service of the highest integrity to members of our campus community. Our well-trained staff is available 24 hours a day, seven days a week. Please visit our website at www.calvin.edu/admin/campus_safety/ for more information.

Career Services

The Career Services Office at Calvin College exists to assist students, staff, and graduates of the College in their vocational considerations, career planning, and career transition endeavors. The staff provides consultation, vocational testing, and informational services in a timely, professional, and confidential manner. The Career Services staff works closely with local, regional, and national employers to match Calvin students, staff, and graduates with employment and vocational opportunities. Services offered are: career counseling, job search assistance, experiential education program management, career resource information, and on-line job search and job posting services. In addition, the office maintains and distributes professional credentials for Teacher Education, Engineering, and Accounting students. In partnership with students, graduates, and employers, we offer our hearts and minds to do God's work in God's world. Please visit our website at www.calvin.edu/admin/career_services/ for more information.

Chaplain's Office and Campus Worship

To grow in loving devotion to God is the goal our Lord places before everyone who belongs to Him. All members of our community, students and staff alike, are encouraged to make personal devotional time part of the rhythm of their daily schedules. In addition, Calvin College wants its members to participate in the other opportunities on campus that will nurture this devoted love for God.

Public worship is a means of acknowledging God's presence in our lives and maturing in our faith. All students, therefore, are expected to attend one of the many churches located throughout the area and The LOFT (Living Our Faith Together) held in the chapel on Sunday evenings at 7:30 p.m.

Chapel services are held weekdays at 10:00 a.m. in the chapel. The college keeps this interlude in its daily schedule so that students and staff may affirm their dependence upon God and grow toward one another in Christian community. In addition to the main service held in the chapel sanctuary, a series of foreign-language worship services and group devotions are held regularly in the smaller meditation chapel located in the lower level of the chapel. The college encourages students to make communal worship part of their routines.

Numerous opportunities exist for other voluntary religious activities, including Bible study groups, faculty-student mentoring groups, prayer groups, Christian service and evangelistic outreach projects, and group fellowships such as InterVarsity Christian Fellowship and Campus Crusade.

If a student desires counseling, he or she is encouraged to contact a local pastor or the college chaplain. Please visit our website at www.calvin.edu/admin/chapel/ for further information.

The Lilly Vocation Project

The Calvin College Lilly Vocation Project provides students with opportunities to deepen their learning about Christian vocation for the church and society. To deepen the understanding of calling the project supports a director of spiritual leadership development. This director nurtures students who, in turn, give spiritual guidance in the residence halls and in off-campus Bible study and discipleship groups. The project also provides resources for student retreats organized by academic departments and campus organizations. In addition, student worship apprentices who plan and participate in student-based worship are supported by this grant.

To prepare students for service this project has several initiatives. A new youth ministry emphasis allows advising, mentoring, experience and targeted courses for students seeking a youth ministry focus. There is additional support for other internships in which students can explore a Christian ministry future. Finally, each year twelve promising college juniors will be designated as Jubilee Scholars in a scholarship, study and service program for those strongly inclined toward Christian ministry.

This project supports these new positions and programs with a Ministry Resource Center, a resource collection that connects Christian ministry to practice. That Center, located in the Hekman Library, provides materials for those involved in on- and off-campus ministry. It is designed to connect students with gifts in art, theater, music, dance, writing, languages, counseling, business, technology, and other fields with ministry uses.

For more detailed information about the Lilly Vocation Project visit the project web site at www.calvin.edu/vocation.

Health Services

Outpatient medical services are provided on campus to all registered students during the regular school year. Health Services, located in the lower level of Heyns Hall, is open weekdays with limited evening hours available. Visits are scheduled by appointment only unless immediate care is determined necessary. Nurse practitioners and registered nurses staff our facility, with contracted physicians available on a limited basis. When necessary, students are referred to area providers for additional care.

Primary care services include, but are not limited to:

- evaluation and treatment of common illnesses and injuries
- allergy infections

- STD testing and treatment
- pregnancy testing and counseling
- HIV testing and counseling
- smoking cessation counseling and treatment

Travel Health and Immunization Services

Our Travel Health Clinic provides comprehensive pre- and post-travel consultation, personal medical evaluations, immunizations, prescriptions, and tips for staying healthy while abroad.

Immunization Policy

Calvin requires all incoming students to show provider-documented immunization status for polio, diphtheria, pertussis, tetanus, measles, mumps, rubella hepatitis B, and tuberculin skin testing. All vaccines and preventatives for general health and off-campus travel opportunities are available at Health Services. Call our Immunization Hotline for further information.

Student Health Insurance

To ensure that students are able to obtain necessary medical care, Calvin College requires minimum health insurance coverage. KnightCare, a plan designed specifically for Calvin students, provides year round coverage at a reasonable cost. All students will be automatically enrolled in KnightCare, unless they can provide proof of comparable coverage and sign a waiver form by the specified date. Detailed up-to-date information is available by calling our Insurance Hotline or checking on the Health Services WebPages.

Residence Life

Living on campus is an integral part of the Calvin College educational experience. The learning that takes place within communities of residents is a catalyst for social, spiritual, moral, and intellectual development. The seven traditional residence halls, with rooms configured in suites of two, and the eleven apartment-style buildings on campus are all located within short walking distance of academic buildings and parking. All halls are staffed by full-time, Masters-level staff members who supervise various student leadership groups and ensure a safe, healthy, and developmental environment for all residents. All student rooms are furnished and have internet and campus cable access. Storage and quiet study rooms are available in hall basements, laundry facilities are free, and meal plans provide a wide variety of food options at every meal. For more information, visit the Housing and Residence Life website at www.calvin.edu/admin/housing.

Calvin acknowledges this important co-curricular ingredient by requiring all first and second year students to live on campus, and by providing optional housing for students beyond their first two-years. Exceptions to this residency requirement are handled individually by the Housing Office and are granted for students commuting from their parents' place of residence, students who are 21 years or older, or students who are two-years beyond their high school graduation date.

Student Development

The Student Development Unit is made up of four distinct areas: Student Development Office, Multicultural Student Development, Service-Learning, and Student Activities. The office staff (Dean of Student Development, Assistant Dean of Student Development) will be some of the first people you meet once you matriculate to Calvin. They plan and implement the orientation programs (for further information, please refer to our website at www.calvin.edu/orientation) of the college, namely PASSPORT (summer program) and QUEST (fall program). They also provide a wide-range of services for off-campus students (over 40% of the student body resides off-campus), and they provide leadership and administration to the over 55 student organizations on campus.

The Multicultural Student Development Office is headed up by an Assistant Dean. Calvin College is striving to become a genuinely multicultural, anti-racist, Christian academic community. The Assistant Dean of Multicultural Student Development provides training programs and support services as one of many efforts on Calvin's campus. These programs help achieve the goal of multiculturalism through understanding, representing and validating people of color. The Assistant Dean also serves as a link between Calvin College and local ethnic communities. Please visit our website at www.calvin.edu/admin/student_life/msdo/ for further information.

The Service-Learning Center has as its motto, "Learning to Serve—Serving to Learn." Service-learning refers to activities which are designed both to meet needs within the local community and also to develop the knowledge and understanding of the service-giver. Students participate in the SLC largely through weekly service activities with a primary emphasis on relationships with disadvantaged members of the Grand Rapids community. Students may also participate in academically based service, which is service integrated within the context of a college course. Students connect conceptual content of their courses to their experiences in the community through structured reflection. Please visit our website at www.calvin.edu/admin/slc for further information.

During college, students may learn and change more than any other period in their lives. This process of learning and changing takes place everywhere - in classrooms, through all-night dorm discussions, and at a concert or movie on campus. Calvin encourages students to embrace and apply a Christian worldview in all areas of life, including popular culture. As a result, the Director of Student Activities and the Student Activities Board plan an entire season of the best possible concerts, movies, comedy, theater, and other activities that will help students critically evaluate these events in light of their faith. Please visit our website at www.calvin.edu/admin/student_life/sab/ for further information.
