
Student Life

Our Mission

*As servants of God and partners in education,
We challenge and support students as they
Seek meaning in their college experiences.*

*With delight and anticipation, we present them to the world
As a people who are learning to love the things that God loves,
So that the world is blessed by their leadership.*

College is a most stimulating, challenging, and exciting experience. Students explore new ideas, develop new skills, wrestle with difficult topics, and establish life-long friendships. The Student Life Division at Calvin College helps students engage these experiences by offering a wide array of programs and services that are consistent with, and complement, the other educational opportunities that abound at Calvin. Simply put, the Student Life Division finds joy in facilitating a rigorous, yet Christ-centered learning environment in which students can flourish. As our mission states above, we desire students to become different persons between the time they enter Calvin and the time they leave. We hope that they will love the things God loves and be leaders in the places that God will call them.

The Student Life Division, eager to help students develop their gifts and interests, is made up of seven departments: Broene Counseling Center, Campus Safety, Career Development, Office of Christian Formation and Campus Worship, Health Services, Residence Life, and Student Development. With over 65 creative, dedicated staff members, along with commensurate facilities, the SLD is well equipped to serve Calvin students in their holistic development. For more information on the Student Life Division at Calvin College, please visit our website at www.calvin.edu/student_life/. Here are the ways each of these areas are poised to work with you.

Broene Counseling Center

The staff offers evaluation, counseling, and support within a Christian framework to any student dealing with emotional struggles, psychological problems, or personal concerns. Individual and group counseling is available, as are workshops and other special programs. Broene Counseling Center staff can also help direct students to a variety of books, pamphlets, and other resources on pertinent information such as depression, anxiety, relationships, sexuality, alcohol, stress, eating disorders, and much more.

Counselors are available by appointment. There are also walk-in times Monday through Friday from 3:30 p.m. to 4:30 p.m. when students can meet with a counselor without a pre-arranged appointment. Center hours are 8 a.m. to 5 p.m. Monday through Friday. Counseling services are available year around for any Calvin student. Appointments can be made directly by stopping in at the Center, which is located on the third floor of the Spoelhof College Center, or by calling 526-6123. Students can also visit the Center's website at www.calvin.edu/admin/broene/ for more information. The Broene Counseling Center offers comprehensive and high-caliber services in a confidential manner.

Campus Safety

The mission of the Campus Safety Office is to serve the Calvin community by promoting mutual responsibility for campus safety. It strives to ensure a safe and well-ordered campus environment, relevant educational initiatives, and respectful service of the highest integrity to members of our campus community. Our well-trained staff is available 24 hours a day, seven days a week. Please visit our website at www.calvin.edu/admin/campus_safety/ for more information.

Career Development

Career Development's mission is to assist Calvin students in their career development, planning and decision-making. The Myers-Briggs and Strong Interest Inventory assessments assist students in selecting a major. Personal guidance is also given in job search techniques, such as resume writing, networking, and interviewing skills. Students from all majors are encouraged to explore career options through internships, which are available through this office. Over 300 students participate in this growing work-learning program annually. Career Development maintains *CalvinLink*, a Web-based program that enables students to search for full-time jobs and register academic information and upload resumes for employers to view. In addition to the main office in Hekman Library 372, the Career Resource Center on the second floor of the Hekman Library offers an expanded collection of print and computerized resources, including information on occupations, employers, and job opportunities throughout the world, as well as graduate school materials.

Appointments can be made by stopping in the office or by calling 526-6485. Walk-in appointments are also available. Freshmen are charged a one-time career services fee of \$40, \$15 of which will be refunded as a bookstore gift certificate to students who accept a job and report it to Career Development within six months of graduation. For more information about our services, please visit www.calvin.edu/career.

Office of Christian Formation

To grow in loving devotion to God is the goal our Lord places before his followers. Public worship is a means of acknowledging God's presence in our lives and of maturing in the Christian faith. The college keeps this interlude in its daily schedule so that students and staff may affirm their dependence upon God and grow together in Christian community. The college encourages students and staff to make communal worship part of their routines.

Chapel services are held each weekday, Monday through Friday, at 10:00 a.m. in the chapel. In addition to the main service, several foreign-language worship services are held regularly in the meditation chapel (located in the chapel's undercroft.)

On Sundays, students are expected to worship at a local church or at the student worship service, The LOFT (Living Our Faith Together), which is held in the chapel at 8:00 PM.

Numerous opportunities exist for other voluntary religious activities, including Bible study groups; faculty-student mentoring opportunities; prayer groups; Christian service and evangelistic outreach projects; and group fellowships such as InterVarsity Christian Fellowship, Young Life, and Campus Crusade. The college chaplain provides pastoral care for the college community. Students or staff who are in need of spiritual counsel are encouraged to contact him by phone (on-campus at x6-6244 or at home, 616-526-6482) or by email (coop@calvin.edu).

Please consult the "Faith" link on the college's website at www.calvin.edu for further information campus opportunities for worship, discipleship and prayer.

The Lilly Vocation Project

The Calvin College Lilly Vocation Project provides students with opportunities to deepen their understanding of Christian calling in the church and society. This project prepares students for Christian leadership through several specific programs. It supports Co-directors of Christian Formation who nurture the Barnabas Team, a set of students who give spiritual guidance in the residence halls and for off-campus Bible study and discipleship groups. The grant expands students' understanding of Christian vocation through student retreats sponsored by academic departments and campus organizations. Student Worship Apprentices who plan and participate in student-based worship through the academic year are trained and funded in this initiative. In another effort, each year twelve promising college juniors are designated as Jubilee Fellows in a scholarship, study and service program for those strongly inclined toward Christian ministry.

Curricularly, in fall 2004 the project helped to launch the new academic minor in youth ministry at Calvin. This minor provides targeted courses for students seeking a youth ministry focus as well as providing advising, mentoring and an internship experience.

The Lilly Vocation Project supports these efforts through the Ministry Resource Center, a resource collection that connects Christian ministry to practice. That Center, located in the Hekman Library, provides materials for those involved in on- and off-campus ministry. It is designed to connect students with gifts in art, theater, music, dance, writing, languages, counseling, business, technology and other fields with ministry uses.

For more detailed information about the Lilly Vocation Project, visit the project web site at www.calvin.edu/vocation.

Health Services

Outpatient medical services are provided on campus to all registered students during the regular school year. Health Services, located in the lower level of Heyns Hall, is open weekdays with limited evening hours available. Visits are scheduled by appointment only unless immediate care is medically indicated. Medical services are provided by nurse practitioners and part-time physicians. When necessary, students are referred to area providers for additional care. Call (616) 526-6187 to schedule an appointment.

Primary care services include, but are not limited to:

- evaluation and treatment of common illnesses and injuries
- allergy infections
- physical therapy
- women's health issues (including routine pap and pelvic examinations)
- STD testing and treatment
- pregnancy testing and counseling
- nutritional counseling and/or referral to on-campus dietician
- smoking cessation counseling and treatment
- physical exams for sports, travel, and employment
- lab and pharmacy

Travel Health Services

The travel staff provides comprehensive pre- and post-travel consultation, personal medical evaluations, immunizations, prescriptions, and tips for staying healthy while abroad. All vaccines and medicines for preventative health and off-campus travel are available at Health Services.

Immunization Policy

Calvin requires all incoming students to show provider-documented immunization status for polio, diphtheria, pertussis, tetanus, measles, mumps, rubella hepatitis B, and tuberculin skin testing. The college also wants students be informed about and consider vaccination for bacterial meningitis. Call our Immunizations and Insurance staff for further information (616) 526-6568.

Student Health Insurance

To ensure that students are able to obtain necessary medical care, Calvin College requires minimum health insurance coverage. KnightCare, a plan designed for Calvin students, provides year round coverage at a reasonable cost. All students will be automatically enrolled in KnightCare unless they provide proof of comparable coverage and sign a waiver form by the specified date. Detailed up-to-date information is available by calling our Immunizations and Insurance staff (616) 526-6568 or checking the Health Services WebPages (www.calvin.edu/admin/health/knightcare/index.htm).

Residence Life

Living on campus is an integral part of the Calvin College educational experience. The learning that takes place within communities of residents is a catalyst for social, spiritual, moral, and intellectual development. The seven traditional residence halls, with rooms

configured in suites of two rooms and one bathroom (two students per room), and the eleven apartment-style buildings (four or five students per apartment) are all located within short walking distance of academic buildings and parking. All residence halls are staffed by full-time, Masters-level staff members who supervise various student leadership groups and ensure a safe, healthy, and developmental environment for all residents. All student rooms are furnished and have internet and campus cable access. Storage and quiet study rooms are available in hall basements, laundry facilities are free, and meal plans provide a wide variety of food options at every meal. For more information, visit the Housing and Residence Life website at www.calvin.edu/admin/housing.

Calvin acknowledges this important co-curricular ingredient by requiring all first and second year students to live on campus, and by encouraging continued on-campus housing for students beyond their first two-years when it is no longer a requirement. Exceptions to the residency requirement are handled individually by the Housing Office and are granted for students commuting from their parents' place of residence, students who are married, part-time, or 21 years or older, or students who are two-years beyond their high school graduation date.

Student Development

The Student Development Unit is made up of four distinct areas: Student Development Office, Multicultural Student Development, Service-Learning, and Student Activities. The office staff (Dean of Student Development, Associate Dean of Student Development) will be some of the first people you meet once you matriculate to Calvin. They plan and implement the orientation programs (for further information, please refer to our website at www.calvin.edu/orientation) of the college, namely PASSPORT (summer program), INTERNATIONAL PASSPORT (program for international students), QUEST (fall program) and TRANSITIONS (mid-year program). The office staff also provide a wide-range of services for off-campus students (over 40% of the student body resides off-campus), as well as leadership and administration to the over fifty student organizations on campus.

The Multicultural Student Development Office strives to support the college's mission to become a genuinely multicultural, anti-racist, Christian academic community by offering programs and support services for all students. These programs, including the Tapestry Leadership Program (State of Michigan 4-S Grant), are designed to address the Student Life goals outlined in the "From Every Nation" document, by providing forums for discussion and springboards to activism and leadership. Students are encouraged to increase their understanding of the historical underpinnings of today's racialized society and be able to discern manifestations of systemic racism. As a result, the MSDO hopes to contribute to a generation of citizens, convicted by faith, to restore global justice and shalom. Please visit our website at www.calvin.edu/msdo for further information.

The Service-Learning Center has as its motto, "Learning to Serve—Serving to Learn." Service-learning refers to the wide range of activities designed to meet needs within the local community while simultaneously developing knowledge, skills and virtues in participating students. Students' participation in the service-learning comes largely in the form of weekly service activities with a primary emphasis on reciprocal relationships within the Grand Rapids community. Students may also participate in academically-based service-learning, or service integrated within the context of a college course. Students connect conceptual content from their courses to their experiences in the community through structured reflection. Please visit our website at www.calvin.edu/slc for further information.

During college, students may learn and change more than any other period in their lives. This process of learning and changing takes place everywhere - in classrooms, through all-night dorm discussions, and at a concert or movie on campus. Calvin encourages students to embrace and apply a Christian worldview in all areas of life, including popular culture. As a result, the Director of Student Activities and the Student Activities Board plan an entire season of the best possible concerts, movies, comedy, theater, and other activities that will help students critically evaluate these events in light of their faith. Please visit our website at www.calvin.edu/sab for further information.
