

that the scholarship is needed to help meet educational expenses. Five scholarships of \$1,250 are awarded annually.

**Van Til Family Special Education Scholarship** The Sam and Judy Van Til Family established this scholarship in honor of their daughter and sister Jana who has Downs Syndrome. The family has recognized the important role Jana's teachers have played in her life and would like to support students who are called to be special education teachers. Candidates must be entering the junior year, have a grade point average of 3.30 or higher, and be pursuing a degree in Special Education. One scholarship of \$1,500 will be awarded annually.

**George J. Van Wesep Memorial Scholarship** Each year Mr. and Mrs. Richard De Vos of Ada, Michigan, provide Calvin College with a gift to be used for scholarships. The gift is given in recognition of Mrs. DeVos's father, Mr. George Van Wesep, who was a teacher/administrator in the public and Christian schools for more than fifty years. Because of Mr. Van Wesep's commitment to education, and to Christian education in particular, the scholarships are awarded to students planning to pursue education as a career. Scholarships are awarded primarily on the basis of the student's academic record and potential for Christian service in education to juniors and seniors who have been accepted in the teacher education program, financial need is considered as a secondary factor. Seven scholarships of \$2,000 were awarded for 2005-2006.

**Lois R. (Post) and Nelson L. Veltman Education Scholarship** This scholarship, established by the children of Lois R. (Post) and Nelson L. Veltman, honors their mother Lois' many years of teaching. She was a teacher in both elementary and secondary education as well as in Catechism and Women's Bible Study Groups in the churches where her husband, Nelson, pastored throughout the United States. Candidates for this scholarship must be entering their junior or senior year at Calvin College, have a high enough grade point average to be admitted to the teacher education program at Calvin College (2.50 on a 4.00 scale), be pursuing a program for teaching at the junior high or middle school level, possess Christian

character and concern for others as demonstrated by active involvement in volunteer activities in prior years, and qualify on the basis of financial need. One scholarship of \$1,000 is awarded annually.

**Betty Vredevoogd Memorial Scholarship** Betty Vredevoogd graduated from Calvin College in 1941 with a degree in education. She followed that with a master's degree in special education from the University of Michigan. She devoted her life to teaching, faithfully serving for many years at Children's Retreat, a Grand Rapids area educational facility for mentally challenged children. Betty passed away in 1999, but through this scholarship, a new generation of special education teachers will be encouraged to excel in their chosen profession, just as she did. This scholarship is automatically renewable with a cumulative grade point average of 3.20 or higher.

**John and Theresa Wierenga Family Scholarship** This scholarship was established in memory of John and Theresa Wierenga who were faithful supporters of Christian education and of Calvin College. Recipients of this scholarship will be pursuing an education degree with the intention of teaching science after graduating from Calvin. One scholarship of \$1,300 was awarded for 2005-2006.

### **Engineering Department**

**A.M.D.G. Scholarship** A.M.D.G. Architects, Inc. of Grand Rapids, Michigan established this scholarship in an attempt to assist a promising student in the field of architecture. More specifically, this scholarship is an attempt to continue the diversification of both Calvin and the architecture field. The goal of this scholarship is to encourage women and minorities to consider architecture as a profession. In light of this goal, preference for this scholarship will be given to ethnic minority or international students, women, and/or other than Christian Reformed Church members. Candidates will be sophomores, juniors, or seniors pursuing a pre-architecture program. Two scholarships of \$1,300 were awarded in 2005-2006.

**James Bosscher Engineering Scholarship** Former students and friends of Dr. Bosscher have generously funded a scholarship

in his name. Scholarships are awarded to incoming freshman engineering students who demonstrate outstanding academic achievement and potential. The number of awards and the value of each award will be determined by the amount of money available each year. The award for the first year is contingent on enrollment in a typical engineering program at Calvin. Scholarships are renewable for the sophomore year in the engineering program based on the first year's college performance, including the achievement of at least a 3.00 grade point average. Special consideration will be given to North American ethnic minority students. To be considered for the Bosscher Scholarship, students need only apply for admission to the college by February 1. They must also indicate engineering as their primary interest.

**Calvin Engineering Interim Scholarship** Jim and Ange Bosscher have established this scholarship to assist needy students who desire to experience an off-campus interim at Calvin. Candidates must demonstrate that the interim course is directly related and beneficial to the program/major in which they are currently enrolled and that assistance is needed to meet interim expenses. Apply through the Engineering Department.

**Calvin Engineering Scholarship** The Kamstra family established this scholarship in honor of the late Gordon Kamstra. Candidates should be entering the junior year as full-time students in the B.S.E. program in Engineering. A cumulative grade point average of 3.00 or higher is expected and a full year of prior study at Calvin is required.

**Calvin Junior Engineering Scholarship** This scholarship was established by the Calvin Engineering Advisory Council to assist full-time engineering students entering the junior year of the B.S.E. program. A cumulative grade point average of 3.00 or higher is expected and a full year of prior study at Calvin is required. The candidate must show a high level of personal integrity and leadership.

**Joseph and Deanne Daverman Family Scholarship** Joseph and Deanne Daverman have been lifetime supporters of Christian

education. Joe, three daughters, and eight grandchildren all attended Calvin. In other ways, Joe and Deanne have strongly supported Calvin throughout their lives. As a member of the Long-Range Planning Committee, Joe was part of the decision that moved Calvin to the Knollcrest campus. As an architect, Joe also participated in the design of several buildings on campus. In 1974, Joe was presented with the Distinguished Alumni Award. The establishment of this scholarship is an attempt to help others achieve the same Christ-centered college education that has played such an important role in the life of the Daverman family. One or more scholarships are awarded to pre-architecture or engineering students with a grade point average of 3.00 or higher and financial need who are entering their junior or senior year.

**Brian L. DeWall Memorial Scholarship** Mr. Gordon and Mrs. Joan DeWall of Fruitport, Michigan have established this scholarship in memory of their son Brian, who was tragically killed in an automobile accident during his senior year at Calvin. Scholarships are awarded to students who are entering the senior year in the Mechanical Engineering Program at Calvin; live life with a positive attitude and a good sense of humor; demonstrate Christian character; and demonstrate the potential to make a positive impact in their work both professionally and as a Christian. A grade point average of 2.80 or higher is required.

**Elenbaas Family Engineering Scholarship** Mr. Jack and Mrs. Eleanor Elenbaas established this scholarship to support students at Calvin. A number of Elenbaas family members are engineers and it is their desire that the scholarship be awarded to one or more engineering students. Candidates need to be entering the junior or senior year, have a grade point average of 3.20 or higher and be pursuing a degree in engineering.

**Paul W. Newhof Memorial Scholarship** This scholarship was established in memory of Paul W. Newhof who was a practical man of great faith who would never turn down a request to serve the Lord with his civil and structural engineering expertise. Mr. Newhof was involved in several mission projects and was also interested in

helping missionaries by using his engineering skills. He was especially interested in getting clean water to African missions and providing tools, such as an oil seed press, which would enhance the ability of natives to provide for their families. Paul Newhof was a principal in Newhof and Winer, a company he started. He was a founder of Grand Rapids Testing Service. Candidates for the scholarship must be entering their junior or senior year, have a minimum grade point average of 2.50 or higher and be majoring in the Civil Engineering program. Preference will be given to a child of a missionary who meets the stated criteria; otherwise the scholarship will be given to an engineering student with some interest in using their education to support mission work. One scholarship of \$2,500 was awarded for 2005-2006. Apply through the Engineering Department.

**Pfizer Scholarship** The Pfizer Scholarship is funded by the Pfizer Corporation which is a leading international developer, manufacturer, and marketer of pharmaceutical products. The purpose of the scholarship is to attract, encourage, and support students interested in pursuing careers in the chemical sciences by giving them financial support, academic recognition, and connections to a major pharmaceutical company. Eligible students must be entering their junior or senior year of studies at Calvin with a major in chemistry, biochemistry, or chemical engineering, and must have a cumulative grade point average of 3.30 or higher. Four scholarships of \$4,000 were awarded for 2005-2006.

**Robert J. Reimink/Prein and Newhof Scholarship** This scholarship is established by the engineering firm of Prein and Newhof of Grand Rapids, Michigan as a memorial to Robert J. Reimink, a Calvin alumnus and a key engineer at the firm, who died of cancer in 1994 at the age of 38. Candidates for the scholarship are current Calvin students pursuing a program in Civil Engineering, entering the junior or senior year, and having a cumulative grade point average of 3.00 or higher. Special consideration will be given to candidates who are employees or direct descendants of present, retired, or deceased employees

of Prein and Newhof and who make note of this on their application form.

### **English Department**

**Winifred Holkeboer Memorial Scholarship** This scholarship was established as a tribute to Winifred Holkeboer, who, through her many years of service to the English Department and Calvin, engaged students in the study of language and literature. This scholarship will be given annually to an English major who demonstrates academic excellence, commitment to the major, and potential for leadership within the major. Selection is based on academic record, participation in the activities of the department, and a brief statement of the applicant's reasons for choosing English as a major. Candidates should be entering the junior or senior year and have a grade point average of 3.00 or higher. One scholarship of \$1,700 was awarded in 2005-2006.

**Kenneth and Lillian Kuiper Scholarship** To honor the many years of service and commitment to Christian education that Dr. Kenneth Kuiper and his wife Lillian have given so generously, their family and friends established a scholarship in their name. Dr. Kuiper taught in the English Department at South Christian High School in Grand Rapids and then served with distinction in the English Department at Calvin for 37 years, encouraging students and mentoring faculty. Lillian taught for seven years in grades three through twelve and later ran the student teacher placement program in the Calvin Education Department for ten years. All five of their children have graduated from Calvin. Their son George, a dedicated employee of the college, took the lead role in initiating this project to honor his parents. In recognition of the Kuipers' high regard for the classroom teacher, this scholarship will be awarded annually to encourage students in the English Department who are pursuing a teaching career in junior/senior high school English. In 2005-2006, one \$2,700 scholarship was awarded.

**Dr. Charlotte Otten Scholarship** This scholarship reflects Charlotte F. Otten's interests in writing and research during her teaching years at Calvin. A scholarship of
