Kenneth E. and Jean Baker Mathematics Scholarship Dr. Kenneth and Mrs. Jean Baker always had a strong interest in Christian education at all levels. This scholarship was established to encourage and honor Calvin students studying mathematics, a field that one of their daughters pursued. Candidates must be entering the first-year at Calvin and be pursuing a degree in mathematics as their primary field of study. In addition, candidates must submit a one-page essay detailing their reasons for pursuing a mathematics major, and providing evidence of an excellent, scholastic record in mathematics and involvement in mathematics activities. One scholarship of \$1,000 was awarded for 2005-2006.

Dr. Harold H. Johnson Scholarship The Theodore R. and Vivian M. Johnson Scholarship Foundation has provided funds for art and math scholarships in honor of Dr. Harold H. Johnson on the occasion of his retirement. The foundation seeks to enable qualified individuals, who might not be able to do so otherwise, to acquire skills and develop strength which enable them to realize their potential. Candidates must be entering the junior or senior year and pursuing a degree in either Art or Mathematics. Financial need is also required.

Sanford and Marjory Leestma Family Scholarship in Mathematics Professor Sanford Leestma retired from the Department of Mathematics and Statistics at Calvin College in 2003. This scholarship, established by his family, is intended to honor Professor Leestma's 35 years of service to Calvin College, the Mathematics Department, and its students. The Leestma family desires this scholarship to encourage and support outstanding students pursuing a career in Mathematics. The recipient should be enrolled full-time and be entering their junior or senior year. Selection is based on strong mathematical ability and evidence of involvement with the department. One scholarship of \$1,800 was awarded for 2005-2006.

Paul J. and Eleanor I. Zwier Family Scholarship These scholarships, which are funded by the Zwier family, by colleagues, and by alumni, are intended to celebrate the many delightful opportunities that Professor Zwier had in teaching mathematics to Calvin students during his long career at Calvin. Dr. and Mrs. Zwier have appreciated being a part of the Calvin community. In addition, all of their children have attended Calvin. Reflecting these interests, there will initially be two upper-class renewable scholarships. The scholarships are intended for students who are committed to major in mathematics at Calvin, have an interest in teaching mathematics at the high school or college level, and who may be in need of financial assistance in order to accomplish these goals. Candidates should be entering the junior year with a grade point average of 3.00 or higher. One scholarship of \$2,500 was awarded for 2005-2006.

Meeter Center

Hugh and Eve Meeter Calvinism Award Mr. Hugh and Mrs. Eve Meeter established these awards to stimulate interest in and knowledge of the Calvinistic world-and-life view among high school seniors planning to attend a Christian Reformed-related college. One scholarship of \$2,500 is awarded each year. Selection is based on the evaluation of an 8-12 page research paper required for consideration. Applications should be obtained from the Meeter Center at Calvin College.
