

program who is entering the junior or senior year at Calvin. Selection is made on the basis of the student's academic record, potential, character, and financial need.

Off-Campus Programs

Kate Bytwerk Scholarship for Study Abroad This scholarship was established in memory of Katherine Bytwerk, daughter of Communications Arts and Sciences professor Randall and his wife Sharon Bytwerk. Katherine died at age twelve while hiking in the mountains during the 1996 Calvin Semester in Hungary program. Because of her delight in the opportunity to travel and learn through this international program, her family and friends have set up this scholarship to assist Calvin students in enjoying the benefits of studying abroad. Recipients must be at the junior or senior class level at the time the scholarship is used and must be participants in a Calvin semester abroad program. A minimum grade point average of 2.50 is required. Two scholarships of \$1,600 were awarded for 2005-2006. Application for this scholarship may be made through the Director of Off-Campus Programs.

International Opportunities Scholarship Mr. Shane and Mrs. Melissa De Jong Schaap generously established a scholarship of \$3,000 for a student entering the junior or senior year at Calvin. The student must have a minimum 3.00 grade point average and be a participant in one of Calvin's semester abroad programs (Britain, China, Honduras, Hungary, France, or Spain). The recipient must also be pursuing a major in History, Political Science, Economics, or Communications, and be planning a vocation on the international scene. Applicants must write a brief essay about their career goals and how this scholarship will help them achieve their goals. At completion of the recipient's semester abroad, a short paper on his or her experience will be submitted to the donor. Application for this scholarship may be made through the Director of Off-Campus Programs.

Russian Student Scholarship This scholarship, established by Mr. Milt and Mrs. Carol Kuyers and Mr. Dennis and Mrs. Sandy Kuester, grows out of their experi-

ences in and involvement with higher education in Russia. Both the Kuyers and the Kuesters have spent time in Russia working with institutions there and now wish to provide the opportunity for a Russian student to study at Calvin. The student must come from the Russian-American Christian University where both Mr. Kuyers and Mr. Kuester have positions on the Advisory Board. Application for this scholarship may be made through the Director of Off-Campus Programs.

Philosophy Department

Bouwsma Memorial Scholarship Through the generosity of the late Mrs. Gertrude Bouwsma-Bos and in memory of her husband, the late Professor O.K. Bouwsma, scholarships are available each year to philosophy majors who exhibit outstanding achievement and continuing promise in philosophy. Professor Bouwsma was a Distinguished Alumnus of Calvin and an influential American philosopher. The recipient is selected by the Philosophy Department. One scholarship of \$1,200 was made in 2005-2006.

Kenneth J. Konyndyk, Jr. Scholarship Professor Konyndyk taught in the Philosophy Department of Calvin for 27 years, until his life's work was cut short in 1994 by cancer. His career was characterized by professional scholarship of the highest caliber, an unwavering commitment to teaching as a Christian vocation, a genuine interest in his students, and the pleasure he took in the company of his colleagues. In his memory, the Konyndyk family established scholarships to be awarded annually to philosophy majors entering the senior year. Applications are available in the Philosophy office.

Physics and Astronomy Department

Ivan E. and Rebecca J. Boerman Scholarship Dr. Ivan and Mrs. Rebecca Boerman of Grand Rapids, Michigan have provided the college with a gift out of gratitude for their Christian education and experience. It is their desire to honor Calvin Professor Howard Van Till, a long-time teacher, scholar, and friend, for his extensive contribution to Calvin and the broader evangelical community in the area of physics/astronomy. The income from this gift is used to pro-
