Examinations in subjects which have class meetings in both the Monday/Wednesday/Friday (MWF) and Tuesday/Thursday (TT) sequences should be scheduled according to the sequence in which they have the larger number of times in each sequence. If a class meets an equal number of times in each sequence, the examination should be scheduled according to the sequence which shows an earlier date or time in the examination schedule.

Students who are enrolled in Math 162 will have a common exam on Monday, May 18 at
