

Interdisciplinary Major Declaration Form

Name: _____ Email: _____ Student #: _____

Address: _____ Phone: _____

Students may initiate programs of concentration other than those formally approved by the faculty. Such group majors require a minimum of twelve courses, ten of which must be from two disciplines with no fewer than four from either. The remaining two must be chosen from a third discipline. No more than two courses included in the IDIS major may overlap with courses taken to meet core requirements. Students must provide a written rationale for such programs, which require the approval of the registrar and of the chairs of the departments from which the ten courses are selected. Departments will include provisions for meeting the writing requirements for the IDIS major. Please complete the following form. Be sure to obtain the needed signatures.
