What is Mathematics 243?

Dimes

Three themes

Homework

1. For Tuesday, January 29
   (a) Visit the class webpage http://www.calvin.edu/~stob/courses/m243/S13/ and become familiar with what it is there. Click each link so that you can see what is available there.
   (b) Read the syllabus carefully so that you are sure that you understand how the course is conducted.
   (c) Read Chapter 1 except for section 1.4. Do all the reading questions at the end of the chapter. (These do not need to be turned in but you should be able to discuss your answers with others in an informed manner.)

2. For Thursday, January 31
   (a) Read Chapter 2 except for section 2.5. Again, do all the reading questions at the end of the chapter.
   (b) Spend some time reviewing what you learned in R on Tuesday.
