1. More gun laws = fewer deaths (?)

2. Chicago redlining.

- **race**: racial composition in percent minority
- **fire**: fires per 100 housing units in 1975
- **theft**: thefts per 1000 people in 1975
- **age**: percent of housing units built before 1939
- **involact**: new FAIR plan policies and renewals per 100 housing units, (a measure of insurance denial)
- **income**: median family income

3. How much is winning baseball games worth to teams? ([Baseball21](#))
